### Monday, 25 November 2024

all-day

#### Åhnlroas – Old:New:Fashioned

Free entry

Sisipark, Bad Ischl

Portraits will be made of “mature supermodels” in extraordinary outfits - from the modern, hip and wild all the way to the traditional, old-timey, classical, from “grand dames et messieurs” all the way to simple Sunday fashion. The aged Salzkammergut region in all of its facets. The portraits will be displayed in exhibitions in the elderly care facilities in order to open them up as well as to experience them as places of art and encounters.

all-day

**About Toourism**

About Toourism, Vorchdorf

More and more people are travelling more often, further and for shorter periods of time. What impact do our holiday wishes have on the built environment, the social fabric and climate change? And how can we imagine a form of tourism that does not destroy what it lives on?
